

RE: YOUR NORLIN-DENTAL PAYMENT

Yes, we would prefer your signed cheque-payment because it helps keep cost to a minimum. However, an increasing number of customers prefer alternative ways so we have summarized available payment methods on this sheet for your convenience.

1. Payment by cheque:

To help us, please include the STATEMENT-SLIP (or include this form) together with your cheque payment and/or write your unique Norlin-Dental CLIENT-CODE and/or the INVOICE NUMBER to be paid on the back of your cheque before you mail it to us, thank you.

The address is: **Norlin Dental, P.O.Box 702, Kew Victoria 3101.**

2. Direct transfer to our ANZ bank account:

Please use your usual method for electronic fund transfer and credit our ANZ account number: 013-030 0061-80567

Please note regarding electronic fund transfers:

Sometimes we encounter problems with this method because customers forget to include relevant information with the payment! **You must include your unique Norlin-Dental CLIENT-CODE** with all electronic transfers to our ANZ account so we can allocate payments correctly, thank you.

3. Payment by VISA, MASTERCARD, BANKCARD:

Please fill in your Credit-Card details below and send this form to us, preferably using our fax at **(03) 9853 0484** (International: +61 3 98530484), thank you.
